Mr. Richard Smith
Chestnut Lodge
McLean, Virginia

Dear Mr. Smith:

Thank you for your letters of June 4 and June 11, 1957, and the newspaper clippings you enclosed regarding the plans for several bridge and highway improvements in Maryland and Virginia.

The construction of the Circumferential Highway and the Cabin John Bridge will, of course, improve the accessibility to our site tremendously, and we are particularly interested in the timing of this construction as related to the schedule for completion of our new building. We have been in touch with the Bureau of Public Roads on this matter and will, of course, continue to work closely with them.

Your interest in bringing these matters to our attention is appreciated.

Sincerely,

Signed
L. K. White
Deputy Director
